## CONTRACT TERMS AND CONDITIONS

This contract is subject to all the rules, regulations, rates and charges as stated on Soda City Mover's (hereinafter referred to as "the carrier") estimate and published in the carrier's tariff.

**SECTION 1:** The carrier shall charge on an hourly basis, at the rates listed on the face of this bill of lading and in accordance with the tariff on file with the South Carolina Office of Regulatory Staff. The hourly time begins upon the carrier's arrival at the customer's first pickup address, and will continue to run until delivery or labor services have completed. The flat travel fee shall cover the "off-the-clock" driving time from the carrier's office to the first pickup address, as well as the driving time back to the carrier's office after the services are completed.

**SECTION 2:** The carrier shall not be held liable for any conditions listed in paragraphs (a) thru (k) regardless of any declared value stated on the face of this bill of lading or other documentation:

- (a) For condition or flavor of perishable articles, objects of art, documents, currency, money, jewelry, watches, trading stamps, credit cards, precious stones, business records, computer hard drives and computer disks or articles of extraordinary value which are not specifically listed on attachments to the estimate, and loss or damage caused by or resulting;
- (b) From and act, omission or negligence of shipper.
- (c) From insects, moth, vermin and ordinary wear and tear.
- (d) From defect or inherent vice of the article, including susceptibility to damage because of atmospheric conditions such as temperature and humidity or changes therein;
- (e) From Acts of God.
- (f) From breakage of china, glassware, bric-a-brac or similar articles of a brittle or fragile nature unless packed by the carrier or unless such breakage results from negligence of the carrier.
- (g) The carrier reserves the right to repair damaged goods as a first course of action prior to reimbursement.
- (h) The consumer warrants that no items of extraordinary value are being transported unless specifically listed. Items of extraordinary value are defined as items with a value in excess of one hundred (\$100.00) per pound.

**SECTION 3:** The carrier shall not be liable for delay caused by highway obstruction, or faulty or impassable highways, or lack of capacity of any highway, bridge or ferry, or caused by breakdown or mechanical defect of vehicles or equipment, or from any cause other than negligence of the carrier nor shall the carrier be bound to transport by any particular schedule, means, vehicle or otherwise than with reasonable dispatch. Every carrier shall have the right in case of physical necessity to forward said property by any carrier or route between the point of shipment and the point of destination.

**SECTION 4:** Consumer shall:

- (a) Be liable for any and all charges stated on the estimate and pay therefor,
- (b) and indemnify carrier against loss or damage caused by inclusion in the shipment of explosives or dangerous articles or goods

**SECTION 5:** If for any reason other than the fault of carrier, delivery cannot be made at address shown on the face hereof, or at any changed address of which carrier has been notified, carrier, at its option, may cause articles contained in shipment to be stored in a warehouse selected by it at the point of delivery or at other available points, at the cost of the owner, and subject to a lien for all accrued tariff and other lawful charges.

**SECTION 6:** Specialty items consist of pianos, safes, exercise equipment, etc. The carrier may charge additional fees for handling these items, but cannot move these items up or down more than 5 steps. However, any item that exceeds 800 pounds cannot be moved (with or without stairs). The carrier will not move pool tables or hot tubs / spas. The carrier reserves the right to decline, at its sole discretion, to move particular items because of their bulk or fragile nature. Additionally, the carrier will refuse to transport items from a dwelling with mold/mildew or bug infestations. This policy is used to protect the safety of the carrier's employees and other customers. If the carrier is unable to complete a move for the reasons listed above, the customer will still be responsible for payment for the time billed to that point.
